

**STATEMENT OF CANDIDATE FOR
ROSEVILLE CITY ELEMENTARY SCHOOL DISTRICT**

Susan Goto

Occupation: Incumbent/Retired Educator

Education and Qualifications: Since being elected to the school board in 1996, I have used my professional and personal experiences, skills and commitment towards strengthening our public school system.

Our district is undergoing many changes adding several new schools over the next few months and years. We have maintained our educational excellence over this period of growth and will continue to perform well as a district. In addition, we will soon add an educational foundation to help fund school programs during lean budgetary times.

My educational experiences and community involvement includes the past 8 years as a Roseville School Board member; 22 years as a primary and middle grade teacher; 8 years on the Roseville Parks and Recreation Commission; 2 years as a Roseville Transportation Commissioner and currently on the Roseville Personnel Board.

I believe in basic, quality education which balances academics, physical education, health and nutrition, performing and fine arts, and enrichment programs. And, making decisions that are in the best interests of our most important resource - our students.

I will continue to be available and responsive working to have a positive impact on our educational community. Please call me at 916-783-4053.

I ask for your vote on November 2nd. Thank you.
